# WELCOME!

**KISSIMMEE, FLORIDA | JULY 31-AUGUST 5, 2017**

---

The Futures All American Games returns to Central Florida on July 31st until August 5th. USA Elite Selected hosted 20 tryouts across the country in 2017 and had over 2300 players from ages 9 to 14 attend with the hopes of making their Regional Teams. After all the tryouts were completed, 1144 athletes were selected amongst the eight regions. These athletes will make up the Regional Teams competing in the 3rd Annual Futures All American Games.

The Futures All American Games features 88 total teams competing in the six age divisions—9U, 10U, 11U, 12U, 13U and 14U. Each of the eight regions has two teams per age group, except for the 9U age division, which is entering its first year in the program and will have one team per region. The eight regions include the Atlantic, Central, Great Lakes, Southeast, Midwest, Far West, Northeast, and Northwest.

For one week, athletes from across the country travel to Central Florida to meet their new teammates and experience a week of competition, camaraderie, and fun. Players get an opportunity to meet peers they have played against and will continue to play against in future tournaments. This year we have athletes traveling from as far as Alaska in the Northwest and Connecticut in the Northeast!

To further enhance the athletes' experience, every Regional team is coached by a current or former college softball player. These players come from college programs like the University of Alabama, University of Central Florida, University of North Florida, Columbia University, University of South Carolina Beaufort, Stetson and FIU. Our college players/coaches will run practices on Monday, July 31st and act as the head coach for the entire Games.

The event kicks off Monday with team check-in and practices which allows the athletes to meet their new teammates and coaches. This year we are excited to partner with Easton Fastpitch and provide athletes with an opportunity to experience Easton's Hit Lab. The Hit Lab will be on-site at Osceola County Softball Complex from 1:30 to 7:30 during practice times. All athletes are welcome to come test their swings and Easton equipment.

We are excited to welcome you all to Central Florida and look forward to a great week at the Futures World Fastpitch Championship.

# CODE OF CONDUCT

**KISSIMMEE, FLORIDA | JULY 31-AUGUST 5, 2017**

---

## **2017 Futures All American Games Participant and Parents Code of Conduct**

The goal of the United States Specialty Sports Association (USSSA) is to offer our members a quality product in all aspects of the USA Elite Select Programs. This begins with the service and cooperation they receive from our state and national office and ends with their experience on the playing field. USSSA and USA Elite Select is committed to providing athletes the tools and the competitive platform by which they can accomplish their dreams in softball and in life. To this end we are committed to making the Futures All American Games a positive one, in terms of competitiveness and an overall enjoyable experience for everyone involved and that nothing which occurs during the operation of these games reflects negatively toward the USSSA, USA Elite Select, and the Futures All American Games.

1. Parents and athletes will maintain high standards of moral and ethical conduct that includes self-control and responsible behavior. Both athletes and parents must display courtesy and good manners and consider the physical and emotional well-being of others.
2. Parents and athletes will not swear, use abusive language or display disruptive behavior, including behavior that is dangerous to self or others, including acts of violence, harassment, and physical or sexual abuse.
3. Parents and players will respect the officials and their authority during games and will never question, discuss or confront coaches at the game, and will take time to speak with coaches at an agreed upon time and place with the attendance of a tournament director.
4. The head coach will be the sole decision maker in all aspects of the game. He/she will be the only person making the lineups, making changes to the lineup and determining all game management facets. They may ask for the assistance of a parent to help in activities such as team warm-ups, managing the dugout, or coaching first base but that is completely at the discretion of the head coach. At no point will the parents have any say in how the game is managed or who is playing in the game.
5. Parents are asked to stay away from the dugout during practices and games unless of an emergency situation, or asked for assistance by the head coach.
6. Failure to adhere to these or any other rules and procedures as set forth in an USSSA sanctioned event may result in actions taken against the individual held responsible. Such penalties include reprimands, probation, suspension (game, event, year or multi-year) or permanent expulsion from USSSA sanctioned events.
